Created with Rela!

Overlooking the emerald fairways of Big Canyon Country Club, this refined and accommodating turn-key residence is ready for you to enjoy. Reimagined, restyled, and rebuilt from the ground up in 2017, this custom home is perfect for entertaining as all of the main spaces adjoin gardens and view terraces with a seamless indoor/outdoor flow. Great thought was given to how this house would live day to day and is evidenced in its layout, impeccable detailing, and fine quality of materials. Custom iron doors and windows maximize the views. A commercial-grade elevator ensures ease of use throughout the home - and makes it even more functional than a single story home. Commodious living areas are flooded with natural light and views. The informal spaces include an oversized kitchen that opens to a comfortable family room with bar and fireplace. The spacious master s...
